

INTEROFFICE MEMORANDUM

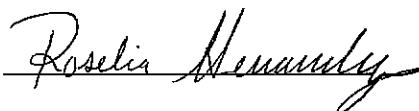

July 9, 2012

TO: PUBLIC FILE
FROM: Roselia Hernandez (Research and Program Coordinator)
SUBJECT: FCC COMMERCIAL LIMITS WITHIN KIDS PROGRAMMING

The Children's Television Act and the FCC's rules impose the following commercial limits:

1. Children's programming targeting children 12 and younger may not contain more than 10.5 minutes of total commercial matter per clock hour on weekends, and no more than 12.0 minutes of total commercial matter per clock hour on weekdays.
2. On and after January 1, 2006, children's programming may not direct viewers to an internet website unless the website offers a substantial amount of bona fide program-related or other non-commercial purposes (that is, e-commerce or advertising); the website's home page and other menu pages clearly distinguish between the website's commercial and non-commercial sections; and the pages of the website to which viewers are directed is not used for e-commerce, advertising, or other commercial purposes (that is, the page has no link labeled "store" or direct links to other pages with commercial material).
3. On and after January 1, 2006, neither children's programming nor commercials aired during children's programming may display internet website addresses that direct viewers to internet websites that utilize a program's characters to advertise promote or sell products or services.

After review of internal channel records and documentation provided to us by program suppliers, KTNV hereby certifies that it complied fully with the FCC's commercial limits with respect to all children's programs broadcast during this quarter that are subject to those requirements. Details are below.

Signed 

For kids programming targeting children 12 and younger, during the 2nd quarter 2012, KTNV broadcast less than 10.5 minutes of commercial matter per clock hour on weekends and less than 12 minutes of commercial matter per clock hour on weekdays on Channel 13.1. See attached schedule for details.

For kids programming targeting children 12 and younger, during the 2nd quarter 2012, Mexicana! inserted 2-3 minutes of commercial matter per half hour in each Mexicana! kids program on Channel 13.2. Their schedule is attached. KTNV did not insert any additional commercial matter into kids programming on its Mexicana! programming stream.

The Live Well Network did not include any programming targeting children 12 and younger on Channel 13.3
